OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 6769 / 506

Bangalore 1st February 1911

Edn 27-10

From

J WEIR Esq MA

Inspector General of Education in Mysore

To C S Balasundaram Iyer, Esq , B A ,

Offg Secretary to th Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

SIR

I have t e honour to inform you that the present annual grant for library allowed to the District Normal schools at Kolar and Shimoga is Rs 25/- This grant was fixed when the schools were first started in the year 1896-97

2 The schools have since greatly developed, and recently the have been converted into purely training institutions of the Lower Secondary grade

3 As there are both Kannada and Hindustani teachers under training the required books on Kindergarten occupations, nature study, Drawing etc , are to be purchased in English, Kannada and Hindustani for consultation and study by the teachers and students

4 For these reasons the present grant is found to be quite inadequate I therefore recommend that it may be raised to Rs 50/ in each case and the necessary provision ordered to be included in the ensuing year's budget

I have the honour to be,

Sir,

Your most obedient servant,

J Weir

Inspector General

3 One of the new schools as proposed may be opened at Shimoga close to the Vernacular schools on 1st February or 1st March 1897 the needful preliminaries being arranged meanwhile

4 With regard to the other school the Government observe that as it is intended to train up teachers for the Bangalore Kolar and Tumkur districts it would be convenient to locate it in Bangalore and if this could not be done immediately a preferable arrangement would be to make the school itinerant and to have it by rotation for two years in each of the said three districts The Inspector General's further opinion on this point is requested
